## Program Guidelines

### Trees Ontario 50 Million Tree Program

- plant a minimum of 2.5 acres of cleared, productive land,
- sign a 15 year agreement to maintain the trees,
- 20% of the planting may include windbreak or riparian planting,
- minimum landowner contribution = \$0.15/tree,
- maximum program contribution = \$1.50/tree,
- delivery agent provides the trees, planting & one spray application,
- projects are approved by Trees Ontario,
- landowner is responsible for any extra costs (over \$1.65/tree).

### GBFS Tree Planting Program

- available for projects that are not eligible for a grant program,
- landowner responsible for the full cost of the trees.

Please consider this application for a potential tree planting project under the next available program

I understand and recognize that tree survival cannot be guaranteed:

**A \$100.00 deposit** must accompany the application form when submitted to be considered for the program.
