

Grey Bruce Forestry Service

MANAGED FOREST TAX INCENTIVE PROGRAM (MFTIP)

Managed Forest Plan Approvers are available to prepare and approve Stewardship Plans. Service includes site visit, forest inventory, maps and consultation about objectives and activities for a 10 year period.

TREE MARKING

Have your woodlot or plantation marked using our Provincially Certified Tree Markers. Make sure you get the best price by using our tendering services.

TREE PLANTING SERVICES Machine & Hand Planting

a) 50 Million Tree Program (*Trees Ontario*) - up to \$1.35 per tree grant available for eligible projects (min. landowner contribution is \$.15 per tree/min. size of project 2.5 acres)

b) Grey Bruce Forestry Service Tree Planting Program - available for smaller or non-Trees Ontario Funded Projects

TREE SALES

Purchase a variety of tree species and sizes. You can choose to plant them yourself or hire the services of Saugeen or Grey Sauble Conservation.

Be sure to attend our annual Arbour Day Tree Sale on the last Saturday in April.

VEGETATION CONTROL

Control competition around newly planted trees. Both herbicide and non-herbicide options are available. Staff have full certification.

2013 FEE SCHEDULE

(Prices subject to change. Applicable taxes extra.)

Non-refundable site inspection fee of \$100.00
is applicable to all services.
