

Hunting Information on Saugeen Conservation Lands 2014 / 2015

Saugeen Conservation owns over 8,490 ha (21,000 acres of land) throughout the vast watershed of 4,675 square kilometres. Many of these lands are provincially significant wetlands and woodlands that are conserved for the betterment of the watershed, as well as for residents, visitors and future generations.

During the course of the year, lands owned by Saugeen Conservation provide numerous recreational opportunities for thousands of people, contributing significantly to local tourism and promotion. Given the popularity of these areas, the diversity of activities, and the sheer number of visitors, *it is necessary to outline the permitted, as well as non-permitted uses of these properties.*

Please be aware that hunting is permitted on all Saugeen Conservation lands, except for the following:

Sulphur Spring Conservation Area (formerly known as Headquarters Conservation Area)
Durham Conservation Area
Bruceedale Conservation Area
Varney Conservation Area
Denny's Dam Conservation Area
Saugeen Bluffs Conservation Area (campground)
Stoney Island Conservation Area
Allan Park Conservation Area / Management Unit

In addition:

Hunting of waterfowl is NOT permitted at the following:

- 1) Saugeen Conservation Managed Forest, Tract # 42-280-20, Lot 10, Concession #9, former Bentinck Twp**
- 2) Schmidt Lake (Greenock Swamp)**

Please note as well that Saugeen Conservation does not permit the use of ATV's, 4-wheel-drive vehicles and motor bikes on any Authority properties. We ask that the public respect the purpose and intent of the policy. Offences in this regard could result in fines and / or other penalties.
